

# Love

One day, a man set out to question Love about who she really was. He found her on a hill, sitting on a swing and basking in the sunlight.

"Good that I meet you here, so you are Love, right?" The man asked.

Love blinked at the man. "Indeed, that's me!"

"And they say you need nothing to BE?"

"That is also true," Love laughed.

"Can I give you anything?"

"No, thank you, I have everything!"

"Is there really nothing I could give you to be worthy of you?" the man wanted to know.

"No, nothing, you are worthy of me."

"Just like that?"

"Yes, just like that," Love laughed again.

"Yes, and that's why you can love anyone just like that?"

"Yes, that's what I do."

Slightly stressed, the man replied, "So, you love me because of that?"

"Yes, I love you!"

"But then I am nothing special in your eyes if you love everyone like that."

"Why do you think you need to be something special to be loved?"

"Well, because you need a reason to love someone."

"No, you don't, love just loves."

"No, that's not real love," the man exclaimed. "I want someone to love me like no other."

Love gained momentum on her swing and called out to the man, "Well, love has nothing to do with wanting; it has to do with BEING. You're just so accustomed to thinking that there must be a reason to be loved. That's human thinking, and even though they've heard a thousand times that true love wants nothing, they still think there must be reasons. Because then they would realize that they don't really know who and how I am, ha, ha..."

Love swung higher on her swing and shouted to the man, "I love you because you ARE, not because you are something. That has always been the case and will always be. Please take that and spread it on leaflets to all the poor souls who still fall for poor fear. Write in big letters:

## LOVE LOVES BECAUSE IT LOVES TO LOVE.

And whoever loves becomes irresistible. So, if any of you want to be irresistible, start loving quickly, everything and everyone. I wish you a wonderful journey home," Love called out to the man one last time and disappeared with a final big swing and a loud laugh into the clouds.

In that spirit, I wish you much love under the Christmas tree and on your journey in the year 2024.

May love give you strength, satisfaction, and a fulfilled existence on your spiritual journey Life. Thank you very much for your valuable trust in my work this year, and I look forward to seeing you again in the new year.

Warm regards,
